

NOTICE

Do not at any time attach wear insert or remove wear insert from seed firmer while attached to planter. Remove seed firmer while doing maintenance. Beware of all pinch points. Do not backup planter while firmer is down. Always be moving forward when lowering planter.

4900 KINZE Planter UPDATE 2016 - Instructions

1
Remove disk guard
Remove depth gage wheels, remove scraper, remove scraper guards, and disc blades.

2
Assemble adapter
Slide mounting block into bracket arm. Start with the bolts in the first and third hole from the top of the bracket arm.

3
Tighten bolts
Tighten bolts. Adjust location of bolts on the mounting arm to fit your pressure and soil conditions.

4
Confirm look
Confirm all pieces are securely tightened.

5
Side view for placement*
Center mounting block into planter and tighten bolts equally on both sides.

6
Attached with screws
Tighten bolts once mounting block is centered. Replace factory bolts with Flo-Rite bolts to attach firmer & scraper guards.

7
Example*

***Tube is not included**

Warranty: Flo-Rite Seed Firmers are warranted to be free of defects in material and workmanship for one year from date of installation, any other warranty, such as merchantability or fitness for a particular purpose, is expressly disclaimed. Our obligation under this warranty shall be limited to repairing or replacing, free of charge to the original purchaser, any part that in our judgment shall show evidence of such defect, provided further that such part shall be returned within thirty (30) days from the date of failure – routed through the dealer from whom the purchase was made. Shipping charges prepaid. Patent pending Flo-Rite Seed Firmers shall have no liability of any kind, except for the warranty above, on account of any of its products and shall not be liable for special or consequential damages. Flo-Rite Seed Firmers shall not be liable for indirect, incidental or consequential damages or injuries including but not limited to loss of crops, loss of profits, rental of substitute equipment, planting delays, any expense or loss incurred for labor, other commercial loss or for any other reason.

Patent pending.

WARNING: Never backup planter with seed firmers down. This may break and/or damage firmer or wear inserts.
